

JCC Prom Attendance Policies ✨

The JCC Prom is available for all JCC students in grades 11-12. Students may bring a date who is in 10th grade or a 10-12th grade student from another school. Dates may also be graduated, but 20 years old or younger. If your date is not currently a JCC student, they must be preapproved by Mr. Traetow in the HS office before they can be signed up for Grand March.

Remember that attending prom is a privilege and a school function.
